RitwikSharma

Computer Science Undergraduate

(+91) 8126445890 | ritwik.1204@gmail.com | ritwik12 | ritwiksharma | ritwik-sharma

Education

2015-2019	**B.Tech.** Computer Science & Engineering *Specialization in Open Source & Open Standards*	UPES, Dehradun

Experience

May 2017 to July 2017	**Hackr.io** Joined as Social media Marketer and Programmer Promoted to Associate Manager, leader of a 6 members team Promoted to Project Manager, managed a group of 100 interns *Programming Internship* - Designed Front-end prototype for Hackr.io website (**Prototype For Hackr.io**) - Technology used: HTML, CSS, JavaScript, Bootstrap *Marketing Internship* - Created a technical Facebook group of 900 members. - Worked on Quora and answered Technical questions.	Work from Home

Honors & Awards

	International rank 274, National Science Olympiad (NSO) organized by SOF.	
March 2017	**DART AND DASH** Secured 1st rank with cash prize among various coders in coding event "DART AND DASH" held at University Of Petroleum And Energy Studies.	Digital India Week
March 2017	**MINDSWEEPER** Secured 5th rank in a coding event "MINDSWEEPER" on "Hackerrank" organized at IIT roorkee during Cognizance 2017.	IIT Roorkee

Projects

Ongoing	**intelligent Personal Assistant** A virtual assistant based on Artificial Intelligence that can perform tasks or services for an individual.	Minor 1

Skills

Programming	*Proficient:* C/C++ *Prior Experience:* Java, C#
Web	PHP, JavaScript, Bootstrap, HTML, CSS
Utilities	Linux shell utilities, Git, LaTeX

Extracurricular Activity

2015	**Yugmak**	Computer Society Of India
	Event organizer at Yugmak (a national event organized by CSI).	
2017	**Cognizance**	IIT Roorkee
	Campus Ambassador at UPES Dehradun for Cognizance IIT roorkee (Tech-fest) 2017 under Student Partnership Programme.	
2015-2016	**Computer Society Of India**	
	Core Committee member of Computer Society Of India (CSI)	

Coursework

Design and Analysis of Algorithms	Operating Systems
Software Engineering & Project Mgmt	Computer System Architecture
IT Applications and Open Standards	Web Technologies through PHP
Data Communication and Computer Networks	Administering Open Source Systems

Miscellaneous

- Contribute to open source, **Github**
